All good

Overall all good

Plan every aspect of the event carefully. Make a list of the events for the day such as speeches to be made, who is going to give the opening and closing speeches for the event, food and drinks to be offered, fun and entertainment activities in a proper way such as decent songs, dance to be carried out, etc. Remember this impact on our future of India.

Efforts seen taken by Teachers.

Programme is good

Suggestions for improvements (if any)
