Descriptive Report :-

Cleanliness is an essential part of good health and well-being. It has many benefits, such as improved health, reduced stress, increased productivity, and improved mental health. Cleaning activity was held on by the volunteer of Rajiv Gandhi college. On the day of the cleaning activity students of Rajiv Gandhi college has clean the surrounding of college campus area besides the students many other people have also participate in this activity

Outcomes:

Regularly cleaning your campus can help reduce bacteria spread from person to person, keeping your students and staff safe and healthy. A student who frequently gets sick may miss classes or neglect their schoolwork, potentially putting them behind their peers and compromising their ability to pass classes.

College Campus Cleaning:
