On December 1, 2020, Rajiv Gandhi College in Vashi organized a guest lecture to commemorate World AIDS Day. The event aimed to raise awareness about HIV/AIDS, dispel myths, and promote a better understanding of the disease. The guest lecture featured V. Ravishankar, an expert in the field of HIV/AIDS research and advocacy.

- 1. The Global HIV/AIDS Situation:** V. Ravishankar, began the lecture by providing an overview of the global HIV/AIDS pandemic. They highlighted the latest statistics, prevalence rates, and the regions most affected by the disease.
- 2. HIV Transmission and Prevention:** The speaker emphasized the modes of HIV transmission, including sexual contact, sharing needles, and from mother to child during childbirth or breastfeeding. They also discussed preventive measures such as condom use, pre-exposure prophylaxis (PrEP), and education.
- 3. Myths and Stigma:** The lecture addressed common myths and misconceptions surrounding HIV/AIDS. [Speaker's Name] stressed the importance of reducing stigma

associated with the disease, which often prevents people from seeking testing and treatment.

4. Testing and Treatment: The guest speaker explained the significance of early testing and diagnosis. They also discussed the availability of antiretroviral therapy (ART) and its role in managing HIV/AIDS.

5. HIV/AIDS in India: V.Ravishankar provided specific insights into the HIV/AIDS situation in India, including prevalence rates, government initiatives, and challenges faced by people living with HIV/AIDS.

6. The Role of Education: The lecture emphasized the role of educational institutions like Rajiv Gandhi College in spreading awareness about HIV/AIDS. [Speaker's Name] encouraged students to become advocates for HIV/AIDS awareness.
