

Internal Quality Assurance Cell

Overall Perspective Plan

Quality has become the defining element of higher education in the 21st century in the context of new social realities. The Internal Quality Assurance Cell has to play a pivotal role in assuring and sustaining quality of academic programmes in institutes of higher learning.

The “Overall Perspective Plan” is another such step, where NAAC expects streamlining of procedures followed for assessment and accreditation of colleges. The proposed “Overall Perspective Plan” of our college is as follows:

Sr. No.	Criterion	Focus
1.	Curricular Aspects	<ul style="list-style-type: none">· Promoting faculty members to participate in curriculum design and various committees at university level.· Organising various Workshops/ Seminars / Conferences of National/International Level.· Preparing a strategies to accomplish the mission and vision.· Increasing student intake capacity of existing courses and improve student enrolment.· Motivating students for field projects/ internships.· Undertaking programmes to enhance employability of students.· Offering Remedial and Bridge Courses for slow learners. ·
2.
