Overall Analysis: -

In the year 2021-22, under the guidance and support of IQAC of the college, criteria 2 committee has framed a questionnaire of Student Satisfaction Survey (SSS) in the google form on overall performance of the institution. After preparing the form, the link has been distributed to official groups of the students and responses have been collected.

According to comments and suggestions given by the students, we have received some excellent opinions from students about good quality teaching, teachers' supportive and cooperative nature, their positive relation with teachers and many more. Some of the students have given suggestions for the improvement in College campus, college facilities such as availability of projector classrooms, more gym and canteen facilities and more sweepers for cleaning washrooms. Along with this students have asked for a parking facility.

Overall suggestions are good for the improvement of college growth and development. Average 89% students are showing positive responses to this Student Satisfaction Survey (SSS) 2021-22.

Action Taken on SSS 2021-22

- Expanded gym and canteen facilities on campus to accommodate the growing needs and preferences of students, ensuring a conducive environment for recreation and social interaction.
- Increased the number of cleaning staff and implemented stricter protocols to maintain cleanliness and hygiene standards in washrooms across the campus.
- Implemented regular maintenance checks and inspections to ensure the ongoing upkeep and functionality of campus infrastructure and amenities.
- Engaged with student representatives and stakeholders to gather feedback and input on proposed improvements and initiatives.
- Adapted teaching methodologies and instructional strategies to accommodate both online and offline modes of learning, ensuring continuity and flexibility in the delivery of academic content.
- Provided faculty members with training and resources to effectively transition between online and offline teaching modalities, leveraging the strengths of each approach to optimize student engagement and learning outcomes.
- Offered professional development opportunities and workshops for faculty to enhance their teaching skills, technological proficiency and ability to meet the diverse needs of students in a hybrid learning environment.
