

College has a spacious library area located on the 6th floor of the Main college building. The library has a huge collection of textbooks, magazines, journals and many useful books for students and includes 865 reference books, 36 journals, 186 e-journals, 1249 text books, 60 CD's, and Videos and 9 different publications of Newspaper and Magazines which are meant to cater the student as well as teachers with a vast knowledge resource. Students take the help of these knowledge resources and turn to the library. The various activities of the library like date entry, issue and return, renewal of books, member logins, Keeping records of users entry and exit time are done and properly monitored. Library data is managed properly to check the record as and when needed. The books are being bar coded. Users are provided with library card and can use the books from the collections in the library referring to the title authors, publishers etc. as desired. The library has closed circuit television (CCTV) surveillance Cameras which covers the full library area to monitor and to record each and every activity going in the library.
