Workshop Report 11th March 2022

"Android Application Development"

Duration: 02: 00 Hrs. **Dated on: 11th March 2022**

A National workshop on Android application development was recently held at Computer Science & Information Technology of Rajiv Gandhi College of Art's, Commerce & Science,Vashi. Android is a Linux based operating system for devices such a Smart phones and tablet computers.The aim of workshop was to familiarize the participants with the basics of android programming and at the end the participants can design their own apps.

It was an interactive workshop conducted by Asst.Prof.Vishal Borude, Department of Information Technology,Mulund College of Commerce,Mumbai. He started the workshop with the current trends of Android developments and its advantages and disadvantages. He discussed the importance, usefulness, and impact of apps in today's digital world. He briefed the students about the types of validation, basic hardware and software requirements for android development.

He provided insights about Android development. He dwelled at length on app architecture, app components and app resources. He not only explained it analytically but also demonstrated the same by creating an app. After hands-on Question –Answer session conducted interactively. Workshop concluded by vote of thanks which proposed by Asst.Prof.Savita Desai.

"Applications of Artificial Intelligence using Python"

Duration: 02 : 00 Hrs. **Dated on: 22nd July 2021**

Introduction:

There has been an increasing interest in AI during pandemic in Education. AI is transforming how we live, work and play. By enabling new technologies like self -driving cars and recommendation system or improving old ones like medical diagnostic and search engines, the demand for expertise in AI learning is growing rapidly. The **Department of Information Technology** in collaboration with **Department of Computer Science along with IQAC** has organized this workshop.

Today's youth are using technology in a variety of ways, from texting and tweeting to chatting, online gaming, and posting a variety of information. Youth are often the most avid users of technology. Enhancing the skill of the youth has become very much important. We have been using Artificial Intelligence in our day today lives even without knowing. Like how we have been using Google Maps and Ride-Hailing Applications, Face Detection and Recognition, Digital Assistants, ALEXA , Social Media, Text Editors or Autocorrect, E-Payments ,Search and Recommendation Algorithms.

This workshop is not just focusing on Applications of Artificial Intelligence using Python but also how one can make it more interactive so that the learner can be attentive during the e-lectures. The institution organized workshop/webinars to train faculty and students to make them acquainted with ways and techniques which are helpful in e-content development and e-teaching.

This workshop was attended by **631 participants** including academicians, Students, Faculties, Researchers. The below is workshop elaborated contents.

The topics covered through Workshop:

- History of AI.
- Introduction.
- Domains of AI.
- Application of AI.
- Advantages and Disadvantages.
- Growth and feature of AI.
- AI Quiz.
- Introduction to python.
- Demonstration of AI in Gaming Using Python.

About Resource Person:

Qualification :-

UoM Approved Teacher for B.Sc. I.T, M.Sc. I.T & M.Sc. C.S
S.I.E.S College of Arts , Science & Commerce, Nerul.
PhD Guide for Computer Science
Reviewer of many International Journals

Workshop Outcomes:

- Explored session on teaching Artificial Intelligence using Python Programming. Understanding of A.I and its implementation was covered in this workshop.
- Detailed Explanation on the implementation was exercised. Tic Tac Toe Example was also implemented with an interactive communication with Faculties.
- Online Workshop is a good platform to address some academic issues/challenges/problems/ doubts etc. that support the stake holders to get deeper understanding on subjects and concepts.

Conclusion: During Covid19 pandemic Artificial Intelligence helped to continue the teaching learning activities. Also the idea that machines could think and perform task just as human do helped learner to get more knowledge about technologies.

ADVANTAGES :

- MORE POWERFUL AND MORE USEFUL COMPUTERS.
- NEW AND IMPROVED INTERFACES.
- SOLVING NEW PROBLEMS.
- BETTER HANDLING OF INFORMATION.
- RELIEVES INFORMATION OVERLOAD.
- CONVERSION OF INFORMATION INTO KNOWLEDGE.

DISADVANTAGES :

- INCREASED COSTS
- DIFFICULTY WITH SOFTWARE DEVELOPMENT - SLOW AND EXPENSIVE
- FEW EXPERIENCED PROGRAMMERS
- FEW PRACTICAL PRODUCTS HAVE REACHED THE MARKET AS YET.

INTRODUCTION

The first confirmed case of COVID-19 in India was reported in the southern state of Kerala on 30.01.2020, of a 20-year-old female returning from Wuhan. Sixteen months later, the reported cumulative case count stands at 2.83 Crores. Globally, India stands second only to the United States (US) in absolute numbers of cases. In proportion to India's entire population, the cases comprise to 2%. As on 3.06.2021, India has had over 3 Lakhs deaths due to COVID-19, the highest number in the world after the US and Brazil. In terms of deaths per million population, India's number is 234. India officially launched its COVID-19 vaccination drive on 16.01.2021, with two approved vaccines – Covishield and Covaxin. As on 03.06.2021, based on the reports of the Ministry of Health and Family Welfare (MoHFW), India has administered just over 22.10 Crores vaccine doses. Of India's 138 Crores population, only 4.51 Crores have been fully vaccinated at the end of June 2021 –about 3.26% of the total population. The US, for instance, has fully vaccinated 41.00% of its population. Analysts agree that, a quick vaccine rollout is India's only way through the pandemic. On 30.05.2021, the Government informed its citizens that, while a little more than 7.90 Crores doses of COVID-19 vaccine were available with the states in May 2021, nearly 12.00 Crores doses will be made available in June 2021.

AT Rajiv Gandhi college ,vashi

Rajiv Gandhi College of Arts Commerce and science Vashi has also extended its hands to fight against Covid-19 pandemic. NATIONAL SERVICE SCHEME (NSS)

Report on International Yoga Day Celebration.

Date of Activity: 21-06-2021

Time: 9:00am To 10 am

Since its inception in the year 2015, June 21st is celebrated as the International Day of Yoga all over the world. This idea was proposed by our Hon'ble Prime Minister, Mr. Narendra Modi to propagate "YOGA FOR WELLNESS". He said, "Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfilment; harmony between man and nature; a holistic approach to health and wellbeing. It is not about exercise but to discover the sense of oneness with you, the world and the nature. By changing our lifestyle and creating consciousness, it can help in wellbeing."

The International Day of Yoga was celebrated by NSS Unite of Rajiv Gandhi College vashi Navi Mumbai, dated 21-06-2021. The all NSS and Non NSS students, around 200 Participant are participated in the programme with great enthusiasm.

Due to the ongoing pandemic, the one-day Yoga Training Program was organized for the teachers and students through the virtual mode for promotion of health and well-being . The programme was scheduled in such a way that it culminated on 21 June 2021. Warm up exercises such as Sookshm Vyayam were taken up and all the students learned and performed various techniques of Pranayama like Anulom-Vilom, Bhamri, Bhastrika, Kapalbhati, etc., the importance of these were explained simultaneously. The students also demonstrated various standing, sitting and lying asanas like Tadasana, Bhujangasana, Halasana etc., followed by Omkar chanting and meditation techniques.

The celebration concluded with providing encouragement to students to practice yoga regularly to remain fit and improve their concentration.

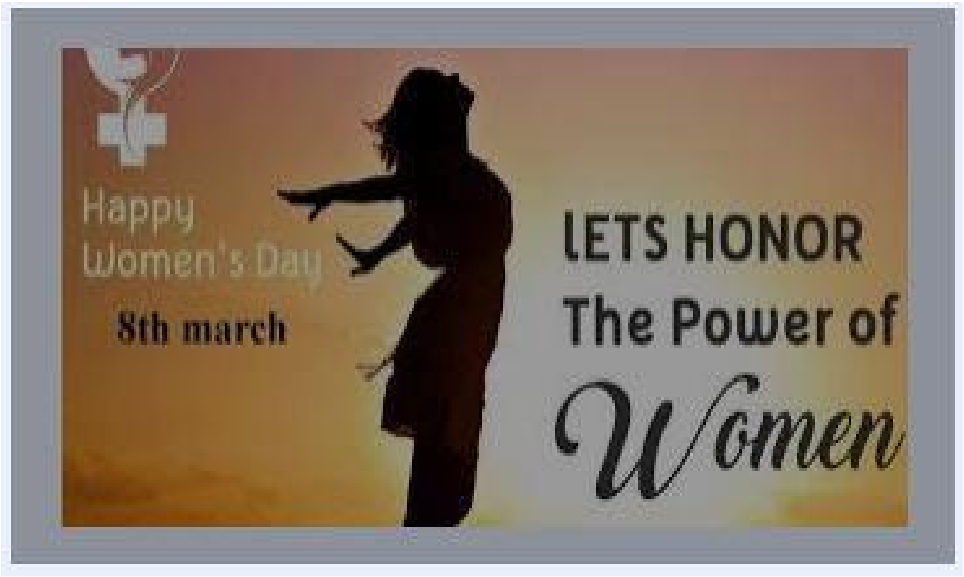
WOMEN'S DAY CELEBRATION

International Women's Day (IWD) **celebrates the political, social, cultural and economic achievements of women around the globe**. The day is observed on 8 March every year and aims to raise awareness about gender equality in all spheres of life.

It is no secret that the future is female and the month of March is marked as women's history month all across the globe . This day marks a call to a gender equal world – free of bias stereotypes and discrimination and one that is diverse, equitable , inclusive while differences are valued and celebrated.



Objective: On the Occasion Of International Women's Day a Self Defense Training and tree plantation was organized

- To create awareness of gender equality for a healthy society.
- To build confidence, improve physical condition, develop a fighter's reflex and develop a warrior spirit.
- To develop self-discipline, teaches you **self**-respect and improves your street awareness.

- **Details of Program**

On **8**th March, considered International Women's Day. This day brings many things for women – a cause for celebration, a reason to pause and re-evaluate a remembrance, an inspiration and a time to honor, love and admire. To honor womanhood, Rajiv Gandhi College Of Arts, Commerce and Science, Vashi had celebrated the International Women's Day on tuesday, 8th March, 2022 in the College auditorium. Mr. B.S Pandey (I/C Principle, Rajiv Gandhi college of arts, Commerce and Science), Ms. Neha tellure (Taikwando coach , 1st Dan blackbelt & National player), and WDC Committee Members with all women teaching & non teaching staff. On this occasion Girl students from Rajiv Gandhi participated in the event. The aim of this workshop was to educate the WDC student members to prepare themselves for the future.

The workshop was inaugurated with lamp lighting by **Dr. Swarnalata Harishchandan madam (Principal of H.B.B.Ed. college, Vashi, Navi Mumbai) and Mrs. Latha Pillai**

madam (Principal of Sainath English medium highschool , Vashi, Navi Mumbai) along with saraswati vandana by Asst. Professor Priyanka .

After the inauguration , WDC (Women Development Cell) incharge Asst. Professor G.Subhashini madam felicitated guests. Ms. Zaveria Qureshi, student of S.Y.B.M.S. gave a wonderful speech on the importance of international women's day.

Ms. Neha Tellure ,(Taikwando coach, 1st Dan blackbelt & National player), explained about women safety , every girl should be self independent to defend herself in unknown circumstances.

Ms. Neha had shown a practical demo for the same. WDC member girl students had experienced the demo along with the instructions given by Neha.

Mr. B.S Pandey (I/C Principal, Rajiv Gandhi college of arts, Commerce and Science) addressed all the girl students of college with his motivational speech on this occasion. He further said that women are a unique combination of strength and beauty , so by keeping this in mind each and every girl should reach her desired goal without having fear or doubt .

The NSS unit of the institute had organized Tree Plantation on 8th March, 2022 at College premises. The Volunteers first of all took all the saplings ,then Asst.Prof. Arun Vishwakarma and Asst. prof. Raju Rathod, addressed the volunteers about the role of trees in human life. He also mentioned that we should take utmost care of the environment.

The volunteers planted desi trees. These trees include Neem, Pimple, Banyan Tree, Tamrind , Indica etc. Some volunteers were assigned the task of giving water and some were digging to plant trees. Volunteers planted trees , NSS were present for the same
