## Report on Plastic Waste Collection Drive

Date: 15th December 2022

Time: 10.00am onwards

Venue: Juhu Village Area

Organized by: NSS Unit, Sainath Education Trust's Rajiv Gandhi College of Arts, Commerce, and Science

### Introduction:

On the 15th of December 2022, the NSS (National Service Scheme) unit of Sainath Education Trust's Rajiv Gandhi College of Arts, Commerce, and Science organized a plastic waste collection drive in the Juhu Village Area. This initiative aimed to address the pressing issue of plastic pollution and create awareness about responsible waste disposal.

### Participants:

The event witnessed active participation from students, faculty members, and local volunteers. The NSS Program Officers, Asst. Prof. Mr. Arun Vishwakarma and Asst. Prof. Raju Rathod, effectively coordinated the activity. Approximately 150 students and 30 faculty members joined hands with the local community for this noble cause.

### Activities Undertaken:

The plastic waste collection drive included a series of activities designed to make a tangible impact on the environment. These activities encompassed:

1. Plastic Waste Collection: Participants were provided with gloves, bags, and other necessary equipment to collect plastic waste from the streets, parks, and public areas in Juhu Village.

2. **Waste Segregation:** NSS volunteers educated the participants on the importance of segregating plastic waste for recycling. Different types of plastics were sorted into separate bins.
3. **Awareness Campaign:** A small awareness campaign was conducted to inform the local residents about the hazards of plastic pollution and the need to reduce, reuse, and recycle plastic materials.
4. **Cleaning and Beautification:** In addition to collecting plastic waste, volunteers engaged in cleaning and beautifying the Juhu Village area by removing other litter and debris.
5. **Plastic Collection Points:** Temporary collection points were set up where the collected plastic waste could be deposited for proper disposal and recycling.

#### **Achievements and Impact:**

The plastic waste collection drive was a remarkable success, yielding several positive outcomes, including:

- The removal of a substantial amount of plastic waste from the Juhu Village Area, resulting in a cleaner and healthier environment.
- Increased awareness among participants and local residents regarding the detrimental effects of plastic pollution.
- Strengthening community bonds as students, faculty, and local volunteers worked together for a common cause.
- Setting an example of responsible citizenship and environmental stewardship.

#### **Outcome:**

The plastic waste collection drive organized by the NSS Unit of Sainath Education Trust's Rajiv Gandhi College of Arts, Commerce, and Science in the Juhu Village Area was a commendable effort to combat plastic pollution and promote environmental consciousness. This initiative reflects the commitment of our institution to community service and responsible citizenship.

We express our gratitude to all the participants, faculty members, NSS Program Officers, and local volunteers who actively contributed to the success of this event. It is through such collective efforts that we can create a positive impact on our surroundings and build a more sustainable future.
