12:15 am to 1:10 am - TYBAF & SY BAF

1:15 pm to 2:10 pm - SYBCOM

Mr Sumeet Mandal started with the lecture by giving the information to the students related with the Indian Aviation Industry and the brief information of Airport. He was informed of the various job role as ground staff and crew. He informed the students about the procedure of booking the tickets, the way to proceed towards the airport and to take the flight. He also informed the students the way of landing of the planes and taking off the flight. He inspired the students to work in the aviation industry. He also encouraged them to bring revolution in the field of marketing by doing jobs in this industry.

The rise of Globalization has led to a rise in the Aviation sector as well. With trade and tourism being the core of the country, Aviation strengthens them by being one of the booming sectors. The skills seeded simultaneously with a degree in Aviation are highly in-demand skills. It is estimated that within the next

20 years, it would be necessary for the industry to hire and train new recruits to fulfill the demands put forth by the Aviation sector.

In accordance with direct jobs available in the Aviation sector today, including pilots, cabin crew, engineers, technicians, airport personnel, ground handlers, cargo, retail, security, administrative, and sales personnel.

Almost 79% of the graduates with a degree in Aviation are employed and leading a life which they consider to be a wish fulfillment. Aviation as a sector is holistically connected with almost 95% of the leading sectors in the world like Trade, Economy, Healthcare and Agriculture.

The Guest Lecture ended with the vote of thanks by the coordinator of classes.

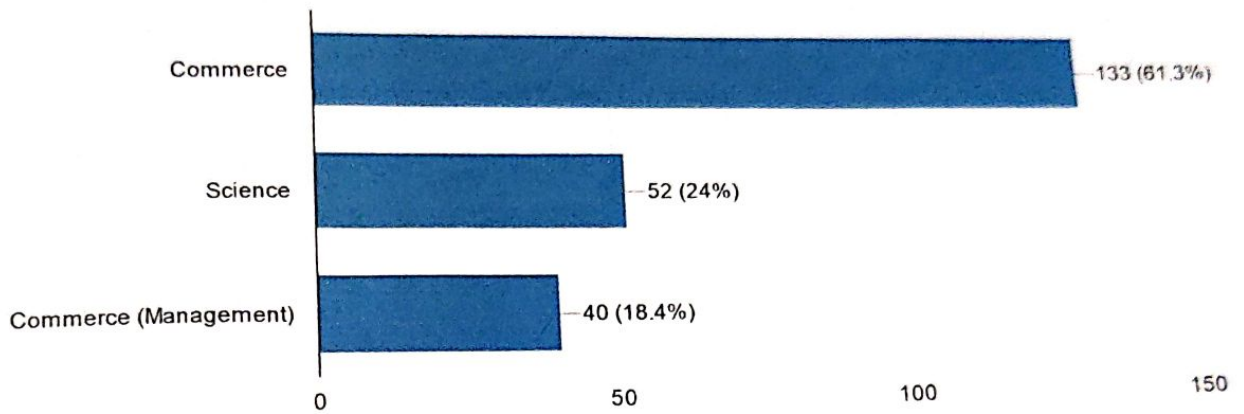

Outcome: -

- Students got awareness of career in aviation offers good job security and can be very lucrative.
- Aviation professionals earn a very good salary, especially from a major airline or cargo company.
- Aviation is a rapidly growing industry with plenty of opportunities for advancement.
