Guru Purnima, a significant Hindu festival honoring teachers and gurus, was celebrated online on 10th July 2020 with great enthusiasm and fervor. Despite the challenges posed by the ongoing global pandemic, the event successfully brought together participants from various parts of the world to pay homage to their mentors and showcase their poetic talents through Shayari and Kavita competitions.

The event was hosted on a popular video conferencing platform, allowing participants to join from the comfort of their homes. The topics for the competition were Role of GURU in our lives And Importance of GURU, The Shayari competition was a highlight of the event, where participants presented their poetic skills in a competition format. Participants recited heartfelt Shayaris dedicated to their gurus and mentors. The Kavita (poem) competition allowed

participants to express their gratitude and respect for their gurus through longer poetic compositions. Poems ranged from traditional to contemporary styles, covering a wide range of emotions and themes. Here students should write their own Kavita or Shayari and make video recordings of it in their voice. Here the participant either had to recite Kavita or Shayari and the time limit would be 2 min for each participant. The entries were limited and an E- certificate would be issued to the winner participants. Without registration submission participants are not allowed to enter in the session. Winners were announced in categories like Best Shayari and Kavita Competition, In the first place stood Vaishnavi Deshmukh and in Second place stood Sonam Gupta.

The online Guru Purnima celebration with Shayari and Kavita competitions was a resounding success, bringing together individuals from diverse backgrounds to pay tribute to their mentors and express their gratitude through the art of poetry. Despite the virtual format, the event managed to capture the essence of this cherished tradition and left participants inspired and enriched by the experience.
